

Opportunities for Improvement in Theophostic Ministry

SKILL SETS	Needs Improvement → → → Highly Proficient				
Theophostic – Completion of Training, Workbook					
Theophostic – Explanation of Theophostic Process to recipient					
Theophostic – Engage the will of the recipient, “Are you willing. . .?”					
Theophostic – Emotion as the bridge to the Memory, Lie to Truth					
Theophostic – Allowing recipients mind to take them back vs Jesus leading or asking them to specifically remember					
Theophostic – Make sure that the recipient is not observing, but in memory.					
Theophostic – Minimal Interruption of Process					
Theophostic – Check intensity of discovered Lie, “How true does this feel?”					
Theophostic – Check for lies about identity. “What does that say about you?”					
Theophostic – Avoiding Leading the Recipient					
Theophostic – Returning to the Presenting Emotion when process falters					
Theophostic – Giving sufficient time for God to speak					
Theophostic – Field any concerns or questions about what was heard by to God					
Theophostic – Listening to the recipient instead of imposing own ideas					
Theophostic – Seeking basic lies vs dealing with conclusions					
Theophostic – Embracing and explaining free will concept in discovering lies and truths					
Theophostic – Looking for emotions underlying anger					
Theophostic – Dealing with real emotions and taking to the Lord to carry					
Theophostic – Knowledge and proficiency of dealing with guardian lies					
Theophostic – Using demonic manifestations as lie detectors					
Theophostic – Fielding all concerns and questions to the Lord to answer					
Theophostic – Searching memories for more than one lie					
Theophostic – Returning to the presenting issue/emotion when EMLT process complete for pain check					
Theophostic – Co-ministers moving in harmony					
Theophostic – Rechecking presenting problem/emotion at end of session					
Theophostic – Have a workable tracking system for you					
Theophostic – Enter Theophostic Ministry experience in your log					
Theophostic – Make sure each session is started and ended with prayer					
Theophostic – Seek ministry if triggered during ministry to others					
Theophostic – Check your each session against this improvement sheet
