## FY2023 SECOND QUARTER REPORT: DECEMBER-FEBRUARY

Quarter two usually starts out with December being a strong month, while January being one of our weakest months. This year, those statistics continued to prove true; yet, with February not making a comeback as much as we usually see. And still, **God remains faithful** by providing faithful givers, in you, and we celebrate that we ended the **second quarter** of this fiscal year with a **surplus of \$18,165**.

We also thank God for our diligent staff who kept our **expenses 5% below budget**.

## TESTIMONIES & UPDATES:

**Kids' Ministry:** "Kids' ministry has continued to focus heavily on scripture memorization, and we are currently working on memorizing all the books of the Bible. The kids are eager to learn and pray with one another. Worship has been spirit-filled and kids are at the altar every week. Praise God for the way He is moving in the hearts of our children!"

**Parenting small group:** "During our winter small groups, 13 parents have enjoyed getting to grow and learn about parenting children with an eternal mindset and with intentionality. It has been a great time of strategizing, praying as couples for our children, and making time for what is most important."

**Family outreaches:** "This winter, we enjoyed serving our community through the food bank distribution and also delivering goodie bags to all of our seniors (about 60) at Cornerstone for a Valentine's Day treat."

**Young Adult Community:** "Pastor Kenny has begun the legwork to form a Young Marrieds group and we are already hearing testimonies and praises on how thankful people {in this age group/life stage} are that this group is forming and how they are looking forward to having friends to do life with."

**Spanish Ministry:** "The Wednesday family nights have been experiencing a deeper discipleship and growing smaller, more intimate groups. Our Couples Conference Night was a success, we had a great time in the Word. We had 22 couples and some singles for a total of 50 people at this event. It was such a great success in the Lord. Also, people have expressed more interest in serving in different areas."

**Worship Ministry:** "The worship team has 50 volunteers on rotation! And out of those 50, 23 of them serve elsewhere in the church – either as a small group leader or a ministry team member."

**Media/Production:** "We continue to see God's hand over our ministry, and we continue to see new people step up into their calling for media/production."
